INTEREST RATE LOCK AGREEMENT

Customer: _____

Product: _____ Term: _____

Loan Amount: _____ Interest Rate: _____

Lock Date: _____ Lock Days: _____

LOCK OPTION:

If you choose to “lock” your interest rate, you must close at the agreement interest rate.

After the lock date (stated above), the interest rate for the mortgage product you have selected (stated above) is “locked-in” regardless of whether the market interest rate goes up or down.

“Locking-in” your interest rate does not constitute loan approval and it does not guarantee that you will qualify for the loan product you have “locked”. If your loan request is denied for the product you have “locked”, your interest rate “lock” will no longer be valid or transferable to other loan products.

Any interest rate “lock” is valid only until the expiration date shown below. If the “lock” expires, the rate is subject to change. BORROWER TANGIBLE BENEFIT DISCLOSURE

First Bank of Manhattan
550 W. North Street
Manhattan, Illinois 60442

Borrower(s): _____

Subject Property: _____

If your loan is a refinance of your primary residence you must complete this statement and return to us.

I/we plan to enter into a transaction which will refinance one or more existing mortgage loan(s) with a new mortgage loan secured by my/our Illinois home as described above.

I/we understand the following:

- There are costs associated with my/our new loan, and my new loan will have different terms than my/our existing loan
- Under Illinois law, the Lender wants to make sure that I/we have determined that my/our new loan will provide reasonable, tangible net benefit to me/us after taking into account the terms of both the new and existing loans, the cost of the new loan, and my/our own circumstances
- The Lender is making this loan to me/us in reliance upon the representations made in this Statement of Borrower Benefits.

By refinancing my/our existing loan, one or more of the following benefits apply to me/us:

- ___ I/we will obtain a lower interest rate
- ___ I/we will obtain a lower monthly payment
- ___ I/we will obtain a shorter term amortization
- ___ I/we will receive cash back from the new loan to pay certain required expenses
- ___ I/we will use the proceeds of my new loan toward the following:
 - ___ Medical Expenses ___ Education Expenses
 - ___ Home Improvement ___ Other Investments
- ___ I/we will consolidate other loans and debts that I/we have into a single loan
- ___ I/we will obtain the certainty of a fixed rate of interest
- ___ I/we will be able to make the balloon payment on my existing loan
- ___ Other benefit (please specify) _____

I/we have considered the terms of both the existing and new loans, the cost of the new loan and my/our personal circumstances. I/we believe the overall benefits of the new loan make the new loan beneficial to me/us. I/we have determined that it would be beneficial for me/us to refinance the existing loan with this new loan for the reasons indicated above.

I/we certify that I/we have had a chance to ask any questions about it that I/we may have and that this statement is true and correct.

It is my/our intention that this statement is a waiver of any claims that we may have against the Lender for any claim that the loan we are receiving violates the Illinois Fairness in Lending Act as it relates to the tangible benefit that I/we are receiving in regard to this new loan.

_____ **ESCROW:** Set up escrow for taxes and insurance; payment will be included in the monthly payment.

OR

_____ **ESCROW WAIVER:** Taxes and insurance will NOT be included in the monthly loan payment. I/We will be personally responsible for paying taxes, insurance and other miscellaneous charges due that would normally be included in an escrow account.

Co-Borrower Date

To Our Borrowers:

The accumulation of funds for payment of property taxes and insurance has typically been accomplished by establishing an escrow account. Accordingly, funds are accumulated as part of your regular payment.

As an option to this escrow account, you may pledge an interest bearing time deposit. The terms and conditions of this option, and other notices are provided below.

MORTGAGE ESCROW ACCOUNT ACT

(765 ILCS 910/)

Sec. 2. As used in this Act, unless the context requires otherwise:

(a) "Escrow Account" means any account established by the mortgage lender in conjunction with a mortgage loan on a residence, into which the borrower is required to make regular periodic payments and out of which the lender pays the taxes on the property covered by the mortgage.

(b) "Borrower" means the person obligated under the mortgage loan.

(c) "Mortgage Lender" means any bank, savings bank, savings and loan association, credit union, mortgage banker, or other institution, association, partnership, corporation or person who extends the loan of monies for the purpose of enabling another to purchase a residence or who services the loan, including successors in interest of the foregoing.

(d) "Escrow-like Arrangement" means any arrangement the intent of which is to serve the same purposes as an escrow account but which does not require the formal establishment of an account.

Sec. 3. Escrow accounts or escrow-like arrangements established after the effective date of this Act in conjunction with mortgage agreements for single-family owner occupied residential property are hereby declared separate and distinct transactions from mortgages and, hence, subject to the laws and regulations of this State.

Sec. 4. On or after the effective date of this Act, each mortgage lender in conjunction with the granting or servicing of a mortgage on a single-family owner occupied residential property, shall comply with the provisions of this Act.

Sec. 5. When the mortgage is reduced to 65% of its original amount by payments of the borrower, timely made according to the provisions of the loan agreement secured by the mortgage, and the borrower is otherwise not in default on the loan agreement, the mortgage lender must notify the borrower that he may terminate such escrow account or that he may elect to continue it until he requests a termination thereof, or until the mortgage is paid in full, whichever occurs first.

Sec. 6. In lieu of the mortgage lender establishing an escrow account or an escrow-like arrangement, a borrower may pledge an interest bearing time deposit with the mortgage lender in an amount sufficient to secure the payment of anticipated taxes.

Sec. 6.5. Homeownership preservation program.

(a) For purposes of this Section, "Homeownership Preservation Program" means (1) a program that is expressly intended to assist homeowners by refinancing or restructuring existing mortgage obligations either (i) to avoid default or foreclosure, or both, or (ii) to lower interest rates, and that is sponsored by a federal, state, or local government authority or a non-profit organization; or (2) a lender-sponsored program that is expressly intended to assist homeowners by restructuring existing mortgage obligations to avoid default or foreclosure, or both.

"Subprime Mortgage Lender" means a mortgage lender that has, for at least 2 of the prior 3 reporting years, reported the rate spread, as required under 12 C.F.R. § 203.4(a)(12), for at least 75% of the loans reported by the mortgage lender in the Loan/Application Register filed in compliance with the federal Home Mortgage Disclosure Act, 12 U.S.C. 2801 et seq., and implementing Regulation C, 12 C.F.R. 201 et seq.

(b) Section 6 shall not apply:

(1) to a mortgage loan made by a subprime mortgage lender in compliance with the requirements for higher-priced mortgage loans established in Regulation Z 12 C.F.R. Part 226, issued by the Board of Governors of the Federal Reserve System to implement the federal Truth in Lending Act, whether or not the mortgage loan is a higher-priced mortgage loan, provided that:

(A) for loans that are not higher-priced mortgage loans, the escrow account must be terminated upon the borrower's request at no cost to the borrower; and

(B) for loans that are higher-priced mortgage loans, the escrow account must be terminated upon the borrower's request at no cost to the borrower on terms no stricter than the following conditions:

- (i) the escrow termination requirements established in Regulation Z are satisfied;
- (ii) the borrower has maintained a satisfactory payment history (no payments more than 30 days late) for the 12 months prior to the mortgage lender's receipt of the borrower's termination request; and
- (iii) the borrower has reimbursed the mortgage lender for any escrow advances or escrow deficiencies existing at the time of the borrower's termination request.

(2) to a refinance or modification made by a subprime mortgage lender under a homeownership preservation program that requires establishment of an escrow account as a condition or requirement of the refinance or modification, provided that the escrow account must be terminated upon the borrower's request at no cost to the borrower on terms no stricter than the following conditions:

(A) termination is permitted under the terms of the government or non-profit sponsored homeownership preservation program, if applicable, and the borrower complies with all conditions or requirements for termination established by or allowed under such program;

(B) the borrower has maintained a satisfactory payment history (no payments more than 30 days late) for the 12 months prior to the mortgage lender's receipt of the borrower's termination request; and

(C) the borrower has reimbursed the mortgage lender for any escrow advances or escrow deficiencies existing at the time of the borrower's termination request. Termination may not be denied for failure to reimburse escrow advances or escrow deficiencies under item (iii) of subparagraph (B) of paragraph (1) of subsection (b), or subparagraph (C) of paragraph (2) of subsection (b) if the borrower claims, in writing, that there is an error with such advances or deficiencies. In such case, the lender must terminate the escrow account if all other conditions of termination are satisfied; however, such termination will not alter or affect any other rights of the mortgage lender or the borrower with respect to the collection of such escrow advances or escrow deficiencies.

Sec. 7. The borrower shall not have the right to terminate any such arrangement under Section 5 in conjunction with mortgages insured, guaranteed, supplemented, or assisted by the State of Illinois or the federal government that require an escrow arrangement for their continuation.

Sec. 8. If after terminating an escrow arrangement under the conditions of this Act, the borrower does not furnish to the lender sufficient evidence of payment of the taxes when due on the residence covered by the mortgage with respect to which the escrow arrangement was established, the lender, after taking reasonably good faith steps to verify nonpayment, may, within thirty days after such payment is due, establish or reestablish an escrow arrangement notwithstanding the provisions of this Act.

Sec. 9. Failure of any mortgage lender operating within this State to comply with the provisions of this Act shall entitle the borrower to actual damages in a court action.

Sec. 10. The provisions of this Act shall not be applicable to a mortgage lender using the capitalization method of accounting for receipt of payments for taxes. The capitalization method shall mean crediting such tax payments directly to the loan principal upon receipt and increasing the loan balance when the taxes are paid.

Sec. 11. Notice of the requirements of the Act shall be furnished in writing to the borrower at the date of closing.

Sec. 12. This Act takes effect on January 1, 1976.

Sec. 15. Notice of tax payments.

(a) When any mortgage lender pays the property tax from an escrow account, the mortgage lender must give the borrower written notice of the following, within 45 business days after the tax payment:

- (1) the date the taxes were paid;
- (2) the amount of taxes paid; and

(3) the permanent index number, mortgage account number, address of the property, or other property description that is used for assessment and taxation purposes under the Property Tax Code.

(b) The notice required in subsection (a) may be included on or with other documents, notices, or statements provided to the borrower. If more than one borrower is obligated on the loan, only one borrower who is primarily liable on the loan need be given notice. Notice may be delivered, mailed, or transmitted by any usual means of communication.

(c) Notwithstanding the requirements in subsection (a), a mortgage lender that provides notice at least annually to a borrower in the manner provided in subsection (b) of a means of communication for the borrower to access the information set forth in subsection (a) by telephone, facsimile, e-mail, Internet access, or other means of communication, is deemed to be in compliance with subsection (a).

THE UNDERSIGNED, HAVING READ THE FOREGOING STATUTORY PROVISIONS HEREBY ELECTS AN INTEREST BEARING TIME DEPOSIT IN LIEU OF ESTABLISHING A REAL ESTATE PROPERTY ESCROW ACCOUNT.

Choosing the best mortgage for you

You're starting to look for a mortgage or want to confirm you made a good decision.

To make the most of your mortgage, you need to decide what works for you and then shop around to find it. In this section, you'll find eight steps to get the job done right.

1. Define what affordable means to you

Only you can decide how much you are comfortable paying for your housing each month. In most cases, your lender can consider only if you are able to repay your mortgage, not whether you will be comfortable repaying your loan. Based on your whole financial picture, think about whether you want to take on the mortgage payment plus the other costs of homeownership such as appliances, repairs, and maintenance.

IN THIS SECTION

1. Define what affordable means to you
2. Understand your credit
3. Pick the mortgage type that works for you
4. Choose the right down payment for you
5. Understand the trade-off between points and interest rate
6. Shop with several lenders
7. Choose your mortgage
8. Avoid pitfalls and handle problems

THE TALK

Ask your spouse, a loved one, or friend about what affordable means to you:

"What's more important—a bigger home with a larger mortgage or more financial flexibility?"

"How much do we want to budget for all the monthly housing costs, including repairs, furniture, and new appliances?"

"What will a mortgage payment mean for other financial goals?"

KNOW YOUR NUMBERS

Calculate the home payment you can take on by filling in the worksheets below:

Think about what an affordable home loan looks like for you. These worksheets can help. First, estimate your total monthly home payment. Second, look at the percentage of your income that will go toward your monthly home payment. Third, look at how much money you will have available to spend on the rest of your monthly expenses.

Step 1. Estimate your total monthly home payment by adding up the items below

Your **total monthly home payment** is more than just your mortgage. There are more expenses that go along with owning your home. Start with estimates and adjust as you go.

	MONTHLY ESTIMATE
<p>Principal and interest (P&I)</p> <p>Your principal and interest payment depends on your home loan amount, the interest rate, and the number of years it takes to repay the loan. Principal is the amount you pay each month to reduce the loan balance. Interest is the amount you pay each month to borrow money. Many principal and interest calculators are available online.</p>	\$
<p>Mortgage insurance</p> <p>Mortgage insurance is often required for loans with less than a 20% down payment.</p>	+ \$
<p>Property taxes</p> <p>The local assessor or auditor's office can help you estimate property taxes for your area. If you know the yearly amount, divide by 12 and write in the monthly amount.</p>	+ \$
<p>Homeowner's insurance</p> <p>You can call one or more insurance agents to get an estimate for homes in your area. Ask if flood insurance is required.</p>	+ \$
<p>Homeowner's association or condominium fees, if they apply</p> <p>Condominiums and other planned communities often require homeowner's association (HOA) fees.</p>	+ \$
<p>My estimated total monthly home payment</p>	= \$

2. Understand your credit

Your credit, your credit scores, and how wisely you shop for a loan that best fits your needs have a significant impact on your mortgage interest rate and the fees you pay. To improve your credit and your chances of getting a better mortgage, get current on your payments and stay current. About 35% of your credit scores are based on whether or not you pay your bills on time. About 30% of your credit scores are based on how much debt you owe. That's why you may want to consider paying down some of your debts.

RESEARCH STARTER

Check out interest rates and make sure you're getting the credit you've earned.

- Get your credit report at annualcreditreport.com and check it for errors. If you find mistakes, submit a request to each of the credit bureaus asking them to fix the mistake. For more information about correcting errors on your credit report, visit consumerfinance.gov/askcfpb.
- For more on home loans and credit, visit consumerfinance.gov/owning-a-home.

NOW

- If your credit score is below 700, you will likely pay more for your mortgage.
- Most credit scoring models are built so you can shop for a mortgage within a certain period—generally between 14 days and 45 days—with little or no impact on your score. If you shop outside of this period, any change triggered by shopping should be minor—a small price to pay for saving money on a mortgage loan.

IN THE FUTURE

- If you work on improving your credit and wait to buy a home, you will likely save money. Some people who improve their credit save \$50 or \$100 on a typical monthly mortgage payment.
- An average consumer who adopts healthy credit habits, such as paying bills on time and paying down credit cards, could see a credit score improvement in three months or more.

YOUR CHOICE *Check one:*

- I will go with the credit I have. **OR** I will wait a few months or more and work to improve my credit.

TIP

Be careful making any big purchases on credit before you close on your home. Even financing a new refrigerator could make it harder for you to get a mortgage.

TIP

Correcting errors on your credit report may raise your score in 30 days or less. It's a good idea to correct errors before you apply for a mortgage.

3. Pick the mortgage type—fixed or adjustable—that works for you

With a **fixed-rate mortgage**, your principal and interest payment stays the same for as long as you have your loan.

- Consider a fixed-rate mortgage if you want a predictable payment.
- You may be able to refinance later if interest rates fall or your credit or financial situation improves.

With an **adjustable-rate mortgage (ARM)**, your payment often starts out lower than with a fixed-rate loan, but your rate and payment could increase quickly. It is important to understand the trade-offs if you decide on an ARM.

- Your payment could increase a lot, often by hundreds of dollars a month.
- Make sure you are confident you know what your maximum payment could be and that you can afford it.

Planning to sell your home within a short period of time? That's one reason some people consider an ARM. But, you probably shouldn't count on being able to sell or refinance. Your financial situation could change. Home values may go down or interest rates may go up.

You can learn more about ARMs in the Consumer Handbook on Adjustable Rate Mortgages (files.consumerfinance.gov/f/201401_cfpb_booklet_charm.pdf) or by visiting consumerfinance.gov/owning-a-home.

YOUR CHOICE Check one:

- I prefer a fixed-rate mortgage. **OR** I prefer an adjustable-rate mortgage.

Check for risky loan features

Some loans are safer and more predictable than others. It is a good idea to make sure you are comfortable with the risks you are taking on when you buy your home. You can find out if you have certain types of risky loan features from the Loan Terms section on the first page of your Loan Estimate.

A **balloon payment** is a large payment you must make, usually at the end of your loan repayment period. Depending on the terms of your loan, the balloon payment could be as large as the entire balance on your mortgage.

A **prepayment penalty** is an amount you have to pay if you refinance or pay off your loan early. A prepayment penalty may apply even if you sell your home.

TIP

Many borrowers with ARMs underestimate how much their interest rates can rise.

4. Choose the right down payment for you

A down payment is the amount you pay toward the home yourself. You put a percentage of the home's value down and borrow the rest through your mortgage loan.

YOUR CHOICE Check one:

YOUR DOWN PAYMENT	WHAT THAT MEANS FOR YOU
<input type="checkbox"/> I will put down 20% or more.	A 20% or higher down payment likely provides the best rates and most options. However, think twice if the down payment drains all your savings.
<input type="checkbox"/> I will put down between 5% and 19%.	<p>You probably have to pay higher interest rates or fees. Lenders most likely require private mortgage insurance (PMI). PMI is an insurance policy that lets you make a lower down payment by insuring the lender against loss if you fail to pay your mortgage.</p> <p>Keep in mind when you hear about “no PMI” offers that doesn't mean zero cost. No PMI offers often have higher interest rates and may also require you to take out a second mortgage. Be sure you understand the details.</p>
<input type="checkbox"/> I will make no down payment or a small one of less than 5%.	<p>Low down payment programs are typically more expensive because they may require mortgage insurance or a higher interest rate. Look closely at your total fees, interest rate, and monthly payment when comparing options.</p> <p>Ask about loan programs such as:</p> <ul style="list-style-type: none">▪ Conventional loans that may offer low down payment options.▪ FHA, which offers a 3.5% down payment program.▪ VA, which offers a zero down payment option for qualifying veterans.▪ USDA, which offers a similar zero down payment program for eligible borrowers in rural areas.

The advantages of prepayment

Prepayment is when you make additional mortgage payments so you pay down your mortgage early. This reduces your overall cost of borrowing, and you may be able to cancel your private mortgage insurance early and stop paying the premium. Especially if your down payment is less than 20%, it may make sense to make additional payments to pay down your loan earlier.

TIP

Prepayment is your choice. You don't have to sign up for a program or pay a fee to set it up.

5. Understand the trade-off between points and interest rate

Points are a percentage of a loan amount. For example, when a loan officer talks about one point on a \$100,000 loan, the loan officer is talking about one percent of the loan, which equals \$1,000. Lenders offer different interest rates on loans with different points. There are three main choices you can make about points. You can decide you don't want to pay or receive points at all. This is called a **zero point loan**. You can pay points at closing to receive a lower interest rate. Or you can choose to have points paid to you (also called **lender credits**) and use them to cover some of your closing costs.

The example below shows the trade-off between points as part of your closing costs and interest rates. In the example, you borrow \$180,000 and qualify for a 30-year fixed-rate loan at an interest rate of 5.0% with zero points. Rates currently available may be different than what is shown in this example.

COMPARE THREE SCENARIOS OF HOW POINTS AFFECT INTEREST RATE

RATE	4.875%	5.0%	5.125%
POINTS	+0.375	0	-0.375
YOUR SITUATION	You plan to keep your mortgage for a long time. You can afford to pay more cash at closing.	You are satisfied with the market rate without points in either direction.	You don't want to pay a lot of cash upfront and you can afford a larger mortgage payment.
YOU MAY CHOOSE	Pay points now and get a lower interest rate. This will save you money over the long run.	Zero points.	Pay a higher interest rate and get a lender credit toward some or all of your closing costs.
WHAT THAT MEANS	You might agree to pay \$675 more in closing costs, in exchange for a lower rate of 4.875%. Now: You pay \$675 Over the life of the loan: Pay \$14 less each month	With no adjustments in either direction, it is easier to understand what you're paying and to compare prices.	You might agree to a higher rate of 5.125%, in exchange for \$675 toward your closing costs. Now: You get \$675 Over the life of the loan: Pay \$14 more each month

6. Shop with several lenders

You've figured out what affordable means for you. You've reviewed your credit and the kind of mortgage and down payment that best fits your situation. Now is the time to start shopping seriously for a loan. The work you do here could save you thousands of dollars over the life of your mortgage.

GATHER FACTS AND COMPARE COSTS

- Make a list of several lenders you will start with**
Mortgages are typically offered by community banks, credit unions, mortgage brokers, online lenders, and large banks. These lenders have loan officers you can talk to about your situation.
- Get the facts from the lenders on your list**
Find out from the lenders what loan options they recommend for you, and the costs and benefits for each. For example, you might find a discount is offered for borrowers who have completed a home buyer education program.
- Get at least three offers—in writing—so that you can compare them**
Review the decisions you made on [pages 4 to 8](#) to determine the loan type, down payment, total monthly home payment and other features to shop for. Now ask at least three different lenders to give you a **Loan Estimate**, which is a standard form showing important facts about the loan. It should be sent to you within three days, and it shouldn't be expensive. Lenders can charge you only a small fee for getting your credit report—and some lenders provide the Loan Estimate without that fee.
- Compare Total Loan Costs**
Review your Loan Estimates and compare Total Loan Costs, which you can see under *Section D* at the bottom left of the second page of the Loan Estimate. **Total Loan Costs** include what your lender charges to make the loan, as well as costs for services such as appraisal and title. The third page of the Loan Estimate shows the **Annual Percentage Rate** (APR), which is a measure of your costs over the loan term expressed as a rate. Also shown on the third page is the **Total Interest Percentage** (TIP), which is the total amount of interest that you pay over the loan term as a percentage of your loan amount. **You can use APR and TIP to compare loan offers.**

RESEARCH STARTER

Loan costs can vary widely from lender to lender, so this is one place where a little research may help you save a lot of money. Here's how:

- Ask real estate and title professionals about average costs in your area.
- Learn more about loan costs, and get help comparing options, at consumerfinance.gov/owning-a-home.

TIP

A loan officer is not necessarily shopping on your behalf or providing you with the best fit or lowest cost loan.

TIP

It is illegal for a lender to pay a loan officer more to steer you into a higher cost loan.

THE TALK

Talking to different lenders helps you to know what options are available and to feel more in control. Here is one way to start the conversation:

“This mortgage is a big decision and I want to get it right. Another lender is offering me a different loan that may cost less. Let’s talk about what the differences are and whether you may be able to offer me the best deal.”

TRACK YOUR LOAN OFFERS

Fill in the blanks for these important factors:

	LOAN OFFER 1	LOAN OFFER 2	LOAN OFFER 3
Lender name			
Loan amount	\$	\$	\$
Interest rate	%	%	%
	<input type="checkbox"/> Fixed <input type="checkbox"/> Adjustable	<input type="checkbox"/> Fixed <input type="checkbox"/> Adjustable	<input type="checkbox"/> Fixed <input type="checkbox"/> Adjustable

Monthly mortgage insurance	\$	\$	\$

My best loan offer is: _____

7. Choose your mortgage

You've done a lot of hard work to get this far! Now it is time to make your call.

CONFIRM YOUR DECISION

Check the box if you agree with the statement:

- I can repay this loan.
- I am comfortable with my monthly payment.
- I shopped enough to know this is a good deal for me.
- There are no risky features such as a balloon payment or prepayment penalty I can't handle down the road.
- I know whether my principal and interest payment will increase in the future.

Still need advice? The U.S. Department of Housing and Urban Development (HUD) sponsors housing counseling agencies throughout the country to provide free or low-cost advice. To find a HUD-approved housing counselor visit consumerfinance.gov/find-a-housing-counselor or call HUD's interactive voice system at (800) 569-4287.

Intent to proceed

When you receive a Loan Estimate, the lender has not yet approved or denied your loan. Up to this point, they are showing you what they expect to offer if you decide to move forward with your application. You have not committed to this lender. In fact, you are not committed to any lender before you have signed final closing documents.

Once you have found your best mortgage, the next step is to tell the loan officer you want to proceed with that mortgage application. This is called expressing your **intent to proceed**. Lenders have to wait until you express your intent to proceed before they require you to pay an application fee, appraisal fee, or most other fees.

Rate lock

Your Loan Estimate may show a rate that has been "locked" or a rate that is "floating," which means it can go up or down. Mortgage interest rates change daily, sometimes hourly. A **rate lock** sets your interest rate for a period of time. Rate locks are typically available for 30, 45, or 60 days, and sometimes longer.

The interest rate on your Loan Estimate is not a guarantee. If your rate is floating and it is later locked, your interest rate will be set at that later time. Also, if there are changes in your application—including your loan amount, credit score, or verified income—your rate and terms will probably change too. In those situations, the lender gives you a revised Loan Estimate.

There can be a downside to a rate lock. It may be expensive to extend if your transaction needs more time. And, a rate lock may lock you out of better market pricing if rates fall.

THE TALK

Rate lock policies vary by lender. Choosing to lock or float your rate can make an important difference in your monthly payment. To avoid surprises, ask:

“What does it mean if I lock my rate today?”

“What rate lock time frame does this Loan Estimate provide?”

“Is a shorter or longer rate lock available, and at what cost?”

“What if my closing is delayed and the rate lock expires?”

“If I lock my rate, are there any conditions under which my rate could still change?”

8. Avoid pitfalls

WHAT NOT TO DO	WHY?
Don't sign documents where important details are left blank or documents you don't understand.	You are agreeing to repay a substantial amount of money over an extended period of time. Make sure you know what you are getting into and protect yourself from fraud.
Don't assume you are on your own.	HUD-approved housing counselors can help you navigate the process and find programs available to help first-time homebuyers. You can find a HUD-approved housing counselor in your area at consumerfinance.gov/find-a-housing-counselor or call HUD's interactive voice system at (800) 569-4287.
Don't take on more mortgage than you want or can afford.	Make certain that you want the loan that you are requesting and that you are in a position to live up to your end of the bargain.
Don't count on refinancing, and don't take out a loan if you already know you will have to change it later.	If you are not comfortable with the loan offered to you, ask your lender if there is another option that works for you. Keep looking until you find the right loan for your situation.
Don't fudge numbers or documents.	You are responsible for an accurate and truthful application. Be upfront about your situation. Mortgage fraud is a serious offense.
Don't hide important financial information.	Hiding negative information may delay or derail your loan application.

Handle problems

WHAT HAPPENED

WHAT TO DO ABOUT IT

I have experienced a problem with my loan application or how my loan officer is treating me.

Ask to talk to a supervisor. It may be a good idea to talk to the loan officer first, and if you are not satisfied, ask to speak with a supervisor.

I think I was unlawfully discriminated against when I applied for a loan or when I tried to buy a home.

The Fair Housing Act and Equal Credit Opportunity Act prohibit housing and credit discrimination. If you think you have been discriminated against during any part of the mortgage process, you can submit a complaint and describe what happened. To do so, you can call the Consumer Financial Protection Bureau at (855) 411-2372 or visit consumerfinance.gov/complaint. Submit a complaint to the U.S. Department of Housing and Urban Development (HUD) by calling (800) 669-9777, TTY (800) 927-9275. Or, file a complaint online at HUD.gov.

You can find more information about your rights and how to submit a complaint with the CFPB at consumerfinance.gov/fair-lending.

I have a complaint.

Submit a complaint to the Consumer Financial Protection Bureau if you have problems at any stage of the mortgage application or closing process, or later if you have problems making payments or become unable to pay. You can call (855) 411-2372 or visit consumerfinance.gov/complaint.

I think I may have been the victim of a predatory lender or a loan fraud.

Your closing

You've chosen a mortgage. Now it's time to select and work with your closing agent.

Once you've applied for a mortgage, you may feel like you're done. But mortgages are complicated and you still have choices to make.

1. Shop for mortgage closing services

Once you've decided to move forward with a lender based on the Loan Estimate, you are ready to shop for the **closing agent** who gathers all the legal documents, closes the loan, and handles the money involved in your purchase. After you apply for a loan, your lender gives you a list of companies that provide closing services. You may want to use one of the companies on the list. Or, you may be able to choose companies that are not on the list if your lender agrees to work with your choice. The seller cannot require you to buy a title insurance policy from a particular title company.

Closing agent

In most of the country, a settlement agent does your closing. In other states, particularly several states in the West, the person is known as an escrow agent. And in some states, particularly in the Northeast and South, an attorney may be required.

RESEARCH STARTER

When you compare closing agents, look at both cost and customer service.

- Ask your real estate professional and your friends. These people may know companies they would recommend. Be sure to ask how that company handled problems and if they have a good reputation.

IN THIS SECTION

1. Shop for mortgage closing services
2. Review your revised Loan Estimate
3. Understand and use your Closing Disclosure

TIP

Settlement services may feel like a drop in the bucket compared to the cost of the home. But in some states borrowers who shop around may save hundreds of dollars.

- Review the list of companies your lender gave you. Select a few companies on the list and ask for references from people who recently bought a home. Ask those people how the company handled problems that came up during the transaction.

Title insurance

When you purchase your home, you receive a document most often called a deed, which shows the seller transferred their legal ownership, or “title,” to the home to you. **Title insurance** can provide protection if someone later sues and says they have a claim against the home. Common claims come from a previous owner’s failure to pay taxes or from contractors who say they were not paid for work done on the home before you purchased it.

Most lenders require a **Lender’s Title Insurance** policy, which protects the amount they lent. You may want to buy an **Owner’s Title Insurance** policy, which protects your financial investment in the home. The Loan Estimate you receive lists the Owner’s Title Insurance policy as optional if your lender does not require the policy as a condition of the loan.

Depending on the state where you are buying your home, your title insurance company may give you an itemized list of fees at closing. This itemized list may be required under state law and may be different from what you see on your Loan Estimate or Closing Disclosure. That does not mean you are being charged more. If you add up all the title-related costs your title insurance company gives you, it should match the totals of all the title-related costs you see on your Loan Estimate or Closing Disclosure. When comparing costs for title insurance, make sure to compare the bottom line total.

Home inspector and home appraiser

When you are considering buying a home, it is smart to check it out carefully to see if it is in good condition. The person who does this for you is called a **home inspector**. The inspector works for you and should tell you whether the home you want to buy is in good condition and whether you are buying a “money pit” of expensive repairs. Get your inspection before you are finally committed to buy the home.

A home inspector is different from a **home appraiser**. The appraiser is an independent professional whose job is to give the lender an estimate of the home’s market value. You are entitled to a copy of the appraisal prior to your closing. This allows you to see how the price you agreed to pay compares to similar and recent property sales in your area.

2. Review your revised Loan Estimate

When important information changes, your lender is required to give you a new Loan Estimate that shows your new loan offer.

It is illegal for a lender to quote you low fees and costs for its services on your Loan Estimate and then surprise you with much higher costs in a revised Loan Estimate or Closing Disclosure. However, a lender may change the fees it quotes you for its services if the facts on your application were wrong or changed, you asked for a change, your lender found you did not qualify for the original loan offer, or your Loan Estimate expired.

Here are common reasons why your Loan Estimate might change:

- You decided to change loan programs or the amount of your down payment.
- The appraisal on the home you want to buy came in higher or lower than expected.
- You took out a new loan or missed a payment and that has changed your credit.
- Your lender could not document your overtime, bonus, or other income.

THE TALK

If your Loan Estimate is revised you should look it over to see what changed. Ask your lender:

“Can you explain why I received a new Loan Estimate?”

“How is my loan transaction different from what I was originally expecting?”

“How does this change my loan amount, interest rate, monthly payment, cash to close, and other loan features?”

3. Understand and use your Closing Disclosure

You've chosen a home you want to buy and your offer has been accepted. You've also applied for and been approved for a mortgage. Now you are ready to take legal possession of the home and promise to repay your loan.

At least three days before your closing, you should get your official **Closing Disclosure**, which is a five-page document that gives you more details about your loan, its key terms, and how much you are paying in fees and other costs to get your mortgage and buy your home.

Many of the costs you pay at closing are set by the decisions you made when you were shopping for a mortgage. Charges shown under "services you can shop for" may increase at closing, but generally by no more than 10% of the costs listed on your final Loan Estimate.

The Closing Disclosure breaks down your closing costs into two big categories:

YOUR LOAN COSTS

- The lender's **Origination Costs** to make or "originate" the loan, along with application fees and fees to underwrite your loan. **Underwriting** is the lender's term for making sure your credit and financial information is accurate and you meet the lender's requirements for a loan.
- Discount points—that is, additional money you pay up front to reduce your interest rate.
- Services you shopped for, such as your closing or settlement agent and related title costs.
- Services your lender requires for your loan. These include appraisals and credit reports.

OTHER COSTS

- Property taxes.
- Homeowner's insurance premiums. You can shop around for homeowner's insurance from your current insurance company, or many others, until you find the combination of premium, coverage, and customer service that fits your situation. Your lender will ask you for proof you have an insurance policy on your new home.
- Any portion of your total mortgage payment you must make before your first full payment is due.
- Flood insurance, if required.

RESEARCH STARTER

Get tips, a step-by-step checklist, and help with the rest of the documents you'll see at closing at consumerfinance.gov/owning-a-home.

What is your Closing Disclosure?

The five-page Closing Disclosure sums up the terms of your loan and what you pay at closing. You can easily compare the numbers to the Loan Estimate you received earlier. There should not be any significant changes other than those you have already agreed to.

Take out your own Closing Disclosure, or review the example here. Double-check that you clearly understand what you'll be expected to pay—over the life of your loan and at closing.

Loan terms

Review your monthly payment. Part of it goes to repay what you borrowed (and may build equity in your new home), and part of it goes to pay interest (which doesn't build equity). Equity is the current market value of your home minus the amount you still owe on your mortgage.

Costs at Closing

Be prepared to bring the full "Cash to Close" amount with you to your closing. This amount includes your down payment and closing costs. The closing costs are itemized on the following pages.

Escrow

An escrow or impound account is a special account where monthly insurance and tax payments are held until they are paid out each year. You get a statement showing how much money your lender or mortgage servicer plans to require for your escrow or impound account.

You also get an annual analysis showing what happened to the money in your account. Your lender must follow federal rules to make sure they do not end up with a large surplus or shortage in your escrow or impound account.

Details of your closing costs appear on page 2 of the Closing Disclosure.

Finance Charge

In addition to paying back the amount you are borrowing, you pay a lot of interest over the life of the loan. This is why it is worthwhile to shop carefully for the best loan for your situation.

Annual Percentage Rate (APR)

Your **APR** is your total cost of credit stated as a rate. Your APR is generally higher than your interest rate, because the APR takes into consideration all the costs of your loan, over the full term of the loan.

If anything on the Closing Disclosure is not clear to you, ask your lender or settlement agent, "What does this mean?"

CLOSING DISCLOSURE PAGE 5 OF 5 - LOAN ID # 123456789

Loan calculations, disclosures, and contact information for your files are on page 5 of the Closing Disclosure.

NOW

- Now you've spent time understanding what you need to do and what you need to pay, as a new homeowner.
- Now is the time to step back and feel sure you want to proceed with the loan.

IN THE FUTURE

- If you are not comfortable with your mortgage and your responsibility to make payments, you might not be able to keep your home.
- If you've made a careful decision about what you can afford and the mortgage you wanted, you will be able to balance owning your home and meeting your other financial goals.

Owning your home

 Now you've closed on your mortgage and the home is yours.

Owning a home is exciting. And your home is also a large investment. Here's how to protect that investment.

1. Act fast if you get behind on your payments

If you fall behind on your mortgage, the company that accepts payments on your mortgage contacts you. This company is your **mortgage servicer**. Your servicer is required to let you know what options are available to avoid foreclosure. Talk to your mortgage servicer if you get into trouble, and call a housing counselor (see [page 12](#) for contact information). HUD-approved counselors are professionals who can help you, often at little or no charge to you.

Homeowners struggling to pay a mortgage should beware of scammers promising to lower mortgage payments. Only your mortgage servicer can evaluate you for a loan modification. If you suspect a scam you can call (855) 411-2372 or visit consumerfinance.gov/complaint.

2. Keep up with ongoing costs

Your mortgage payment is just one part of what it costs to live in your new home. Your escrow account holds your monthly taxes and homeowner's insurance payments—but if you have no escrow account, you need to keep up with these on your own. Your home needs maintenance and repairs, so budget and save for these too.

IN THIS SECTION

1. Act fast if you get behind on your payments
2. Keep up with ongoing costs
3. Determine if you need flood insurance
4. Understand Home Equity Lines of Credit (HELOCs) and refinancing

3. Determine if you need flood insurance

Flooding causes more than \$8 billion in damages in the United States in an average year. You can protect your home and its contents from flood damage. Depending on your property location, your home is considered either at high-risk or at moderate-to-low risk for a flood. Your insurance premium varies accordingly. You can find out more about flood insurance at [FloodSmart.gov](https://www.floodsmart.gov). Private flood insurance could also be available.

Although you may not be required to maintain flood insurance on all structures, you may still wish to do so, and your mortgage lender may still require you to do so to protect the collateral securing the mortgage. If you choose to not maintain flood insurance on a structure, and it floods, you are responsible for all flood losses relating to that structure.

4. Understand Home Equity Lines of Credit (HELOCs) and refinancing

Homeowners sometimes decide they want to borrow against the value of their home to help remodel or pay for other large expenses. One way to do this is with a **Home Equity Line of Credit** (HELOC). You can learn more about HELOCs at files.consumerfinance.gov/f/201401_cfpb_booklet_heloc.pdf.

Financial counselors caution homeowners against using a HELOC to wipe out credit card debt. If you use a HELOC as a quick fix to a serious spending problem, you could end up back in debt and lose your home.

If you decide to take out a HELOC or refinance your mortgage, the Truth in Lending Act (TILA) gives you the **right to rescind**, meaning you can change your mind and cancel the loan. But you can only rescind a refinance or HELOC within three days of receiving a proper notice of the right to rescind from your lender. You cannot rescind if you are using your HELOC to buy a home.

In the case of a refinance, consider how long it will take for the monthly savings to pay for the cost of the refinance. Review the closing costs you paid for your original loan to purchase the home. Refinancing costs can be about the same amount. A common rule of thumb is to proceed only if the new interest rate saves you that amount over about two years (in other words, if you break even in about two years).

★ Congratulations!

You have accomplished a lot. It is not easy—you should feel proud of the work you've done.
